

# Finding a rental dwelling or commercial building has never been so easy.

---

A dedicated Canadian rental property online billboard [www.ashiro.ca](http://www.ashiro.ca) is launched. Here, tenants can search for rental place with the help of its excellent search functionality. Visitors can post messages at interactive forum. Prospective tenants can subscribe for alerts and receive notifications by email with matching rental places.

## Who can use this online service?

Newcomers, existing tenants, students, business owners & new entrepreneurs, etc. who are looking for a rental place can use it free of charge and they can see the advertiser's contact information without having to register online. They just need to quote ashiro.ca when enquiring about the rental.

## Who can register here?

Website offers an online service for property managers, rental property agents and property owners to conveniently publish one or more rental properties. It provides tools to publish, share, track and receive feedback from prospective tenants resulting in savings in time and money. Built-in features allow them to link or upload the rental application form, mark property as rented, show/hide from public searches, and mark as premium property and make it appear on top of the search results.

Here you can advertise rental properties such as Rental properties such as Apartments, Houses, Offices, Condos, Multiunit, Rooms, Student, Old Age Living, Basements, Townhouses, Low rise, High rise, Industrial, Vacation, Retail, Commercial, Shops, Farm, Shared, Short Term, Storage, etc. are advertised on this website.
